1. The following is an examiner's statement of reasons for allowance: the claims are allowable because the prior art of record fails to disclose or teach the recited condenser comprising a dividing wall having an interior surface and an exterior surface, and the interior surface being in thermal contact with the refrigerant and the exterior surface being the heat transfer surface (claim 1), or the compressor being positioned substantially within the volume formed by the second surface of the condenser (claim 9), or the rotary lobe comprising a triangular shape rotor which spins on an eccentric shaft and rotates inside an epiterchoid chamber (claim 27), or the compressor comprising an outside housing having a plurality of fins which increase the surface area of the outside housing for improving the heat transfer from the outside housing (claim 36).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to William E. Tapolcai whose telephone number is (571) 272-4814. The examiner can normally be reached on Mon. - Thurs., 6:30 to 5.
